Mr. Kenna and other members of the com-

Some members of the committee had put upon it an offensive construction, and the chairman had immediately disavowed any such inten-tion, and denied the propriety of that construction, and here the matter dropped. MR. J. C. RICHARDSON, St. LOUIS. My Dear Sir:

I have sold Clifford's Febrifage since its introduction in Central Texas, in fact I may say I introduced it in Milam County. It has given uniformly good satisfaction, and its merits are constantly recommending it from clitzen to cliffage, in the speedy and effective cure of intermittent Fever, (Fever and Ague,) and Fevers of Malarial Origin. I am always pleased to sell Clifford's Febrifage on account of its efficiency, knowing it will not disappoint my customers, and being so palatable, makes it the most pleasant remedy for the cure of Chilis and Fever.

My Dear Sir:—For over two pears I have had Fever and Ague, and after trying every thing I took one-half bottle of Clifford's Febrifuge, and it cured me permanently. I believe my case would have been fatal had I not found this as I did.

Yours truly.

J. C. Richardson, Sir:—Two of my children were severely attacked with Chills and Fever. I called our Family Physician who attended them without success, foolishly tried ague Pads, also without the slightest effect. When through the infinence of Mr. Ballard we were induced to try your Clifford's Febrifage the effect was wonderful. The children did not have a Chill after taking the first dose and are now entirely well. Would not be without the remedy on any account. Yours, etc., GEO, WRIGHT.
